The screenshot shows the Naxos Music Library Jazz website interface. At the top, there's a navigation bar with 'STPI CONCERT Members', 'Log Out', 'My Account', 'English', and 'Accessibility' options. A search bar is present on the right. Below the navigation bar, a banner promotes the 'NML Jazz app' with features like 'advanced search', 'a tab for Favourites', 'booklets with liner notes & biographies', 'inlay cards with track list', and 'dedicated button for recently added recordings'. The main content area is titled 'Featured Albums' and displays a grid of album covers with their respective titles and artists. The left sidebar contains navigation options: Home, New & News, People, Categories, Labels, Playlists, and Favourites. Below the sidebar, there's a 'Figures at a glance' section showing 'Disc Count 28,674' and 'Track Count 270,302' as of 11 September 2023. The featured albums include: Mulgrew Miller: Solo in Barcelona; Wandering Monster: Zenna; Lionel Hampton: Air Mail Special (1937-1946); COMA WORLD: Calamari; Hoagy Carmichael: No Music Master; ACKAMOOR, Idris: Re-Memory; NENE!
